

We'd love your help. **Be a part of something great!**

The Taverners Queensland are reaching out to Queensland Clubs to ask for support and assistance with fundraising, and there is something in it for you too!

The Lord's Taverners National Raffle is an annual raffle that drives all-abilities cricket in local communities, raising more than \$10 million over the past 37 years.

Proceeds of the raffle support deaf, blind and intellectually impaired cricketers to compete in the NCIC. Housing, feeding, transporting and providing care for participants cost significantly more than mainstream cricket teams. The event costs about \$400, 000 to per year to run. Taverners has provided substantial support donating \$340, 000 throughout the last four years. Many of the participants are on some form of support payment and we strongly believe that players should not miss out due to financial reasons.
